This agreement is made for the 2007-2008 school year by and between the Board of Directors of the Sibley-Ocheyedan Community School District and the Sibley-Ocheyedan Education Association.

The Board of Directors of the Sibley-Ocheyedan Community School District hereinafter referred to as the "Board", recognizes the Sibley-Ocheyedan Education Association, hereinafter referred to as the "Association" as the sole and exclusive bargaining representative for all personnel as set forth in the PERB amended certification instrument in Case 336 issued December 10, 1975, which personnel are employed in the Sibley-Ocheyedan Community School District. The unit is described as:

INCLUDED: All professional certificated instructors of the Sibley-Ocheyedan Community School District including Chapter I teacher and certified school nurse, (hereinafter referred to as "employees").

EXCLUDED: Superintendent, building principals, athletic director, teacher aides and associates, and all others excluded by Section 4 of the Act.

ARTICLE ONE: GRIEVANCE PROCEDURE

A. A grievance shall mean only a claim that there has been an alleged violation, misinterpretation or misapplication of any of the provisions of this agreement not specifically excepted from the grievance procedure.

B. (1) Every employee or group of employees covered by this agreement shall have the right to present grievances in accordance with these procedures.

(2) The failure of an employee (or, in the event of an appeal to arbitration, the Association) to act on any grievance within the prescribed time limits will act as a bar to any further appeal and an administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits however, may be extended by mutual agreement.

(3) It is agreed that any investigation or other handling or processing of any grievance by the grieving employee shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grieving employee or of the teaching staff unless departure from this procedure is mutually agreed upon between the parties.

C. (1) First Step

An attempt shall be made to resolve any grievance via informal discussion between complainant and his or her principal. The complainant shall identify the specific problem and recommend a specific remedy. It is the responsibility of the complainant to indicate to the building principal that their discussion represents the first step of the grievance procedure. If after five (5) school days no result has occurred or if the employee is still dissatisfied, the employee may go to the second step.

Note: Certain scenarios may permit the waiving of the first two steps of the grievance process. Application of a waiver must be made in writing by the grievant to the Superintendent. The Superintendent must make a written reply to the waiver request within ten (10) school days after receiving the waiver request. Denial of a waiver by the Superintendent cannot be grieved and the grievant must begin the process with step one if there is still interest in pursuing a grievance.

(2) Second Step

If the grievance cannot be resolved informally, the aggrieved employee shall file the grievance in writing with his or her principal. The written grievance shall state the nature of the grievance, shall note the specific clause or clauses of the contract, shall state the remedy requested, and shall state the date of the conference at the first step. The principal may request a second meeting with the employee. The principal shall make a decision on the grievance and communicate it in writing to the employee and the superintendent and the Association within ten (10) school days after receipt of the written grievance.

(3) Third Step

In the event a grievance has not been satisfactorily resolved at the second step, the aggrieved employee shall file, within five (5) school days of the principal's written decision at the second step, a copy of the grievance with the superintendent. Within ten (10) school days after such written grievance is filed, the aggrieved and superintendent or his designee shall meet to resolve the grievance. The superintendent or his designee shall file an answer within ten (10) school days of the third-step grievance meeting and communicate it in writing to the employee and the principal and the Association.

(4) Fourth Step

If the grievance is not resolved satisfactorily at Step 3, there shall be available a fourth step of impartial, binding arbitration. The Association may submit, in writing, a request on behalf of the Association and the grieving employee to the superintendent within thirty (30) days from receipt of the Step 3 answer to enter into such arbitration. The arbitration proceeding shall be conducted by an arbitrator to be selected by the two parties within seven (7) days after said notice is given. If the two parties fail to reach agreement on an arbitrator within seven (7) days, the Iowa PERB will be requested to provide a panel of five arbitrators. Each of the two parties will alternately strike one name at a time from the panel until only one shall remain. The remaining name shall be the arbitrator. The decision of the arbitrator shall be binding on the parties.

Expenses for the arbitrator's services shall be borne equally by the school district and the Association.

The arbitrator, in his opinion, shall not amend, modify, nullify, ignore, or add to the provisions of the agreement. His authority shall be strictly limited to deciding only the issue or issues presented to him in writing by the school district and the Association and his decision must be based solely and only upon his interpretation of the meaning or application of the express relevant language of the agreement.

D. If the Association or any employee files any claim or complaint in any form other than under the grievance procedure of this agreement, then the school district shall not be required to process the same claim or set of facts through the grievance procedure.

E. Any aggrieved person may be represented at all stages of the grievance procedure by himself, or at his option, by a representative selected or approved by the Association. When an employee is not represented by the Association, the Association shall have the right to be present at all levels. At the third and fourth levels the employee shall have a right to be represented by the UniServ director or other representative.

F. A form for use with written grievances is attached hereto marked Exhibit "F".

G. A copy of all grievances filed at level two or above shall be placed in the Association mailbox at least two (2) days prior to the date of hearing the grievance with a notation of the time and place of hearing.

H. The grievance report shall be filed in the personnel file and shall reflect the final disposition of the grievance.

I. When computing time on grievances not finally resolved by the end of the school year, all seven (7) days of the week, not school days, shall be counted. This change shall be effective commencing with the first day after the last pupil day.

ARTICLE TWO: EMPLOYMENT TERM (Days, Hours, Vacations, Holidays, In-Service Training)

A. Employees shall be contracted for a school year on the basis of one hundred ninety (190) days. Certain employees shall be contracted on an extended basis under the terms and conditions of Article Nine, Wages and Salaries.

B. Employees shall receive five (5) paid holidays within the 190 days, which holidays shall be designated in the school calendar as drawn by the superintendent; President's Day and the Monday following Easter shall be two of the holidays. Employees who have attained sufficient hours to qualify for horizontal movement shall certify such hours to the superintendent by September 10 and be placed accordingly.

D. Employees entering the system shall be given full credit for teaching experience outside the district and teachers returning to Sibley-Ocheyedan will receive full credit for service in the Sibley-Ocheyedan District.

E. Non-degree teachers shall receive a salary adjustment equal to the dollar increase in B.A. base pay as indicated in Exhibit A.

F. Employees shall be paid on the twentieth (20th) of each month unless the twentieth is a Saturday, Sunday or holiday, and then payment shall be on the previous working day. Employees shall have the option of being paid one-tenth of their contracted compensation in ten monthly installments beginning in September provided they request such a payment option prior to January 1 of the previous contract year.

G. Extended contract employees shall be paid on a prorated basis from the appropriate position on the salary schedule. In addition extended contract employees shall receive credit for a pro-rated additional amount of sick pay.

H. Hours credited for horizontal movement shall be (a) graduate hours in courses germane to the employee's employment responsibilities, (b) hours to meet initial Iowa certification or endorsement requirements, or (c) hours in approved graduate degree program, or (d) hours associated with improved classroom management/techniques.

Graduate hours submitted under item "c" above for the purpose of horizontal advancement shall be reviewed by a three-person committee consisting of the superintendent and two teachers who will be appointed by the SOEA.

I. The board reserves the right to hire a teacher with zero to four years' experience at Step 4 on the salary schedule. If this option is utilized, the person shall then remain on Step 4 until the person's actual experience, including teaching at Sibley-Ocheyedan and credit allowed under Paragraph D above, is five years. At that point in time the person shall then commence moving on the schedule and shall move from Step 4 to Step 5.

J. All certified teachers will be required to attend all district-wide inservice meetings. Teachers who are not full-time will be expected to attend the same percentage of the meetings as their contract indicates (ex. .5FTE equals 50% of the meetings) as part of their contract and then they will be paid at the rate of \$20 per hour for their attendance at the other percentage of the meetings.

K. Employees retiring from the District with at least 15 years of service within the District will have the following final salary options:

1. Full remaining salary in their June paycheck:
2. Payments made in three equal installments in June, July, and August consistent with current payroll practices.

L. Career teachers are those who have reached the terminal step of their assigned salary lane. The 2007-2008 teaching salaries for Career teachers will be an increase of 3.5% of the top of their 2007-2008 salary lane. That dollar amount will be added to their current salary. If this amount is less than the actual dollar amount at the top of their lane that teacher will instead be paid the amount at the top of their lane.

M. Any state mandated and funded salary provision affecting the 2007-2008 bargaining agreement shall be implemented in a manner agreeable to both the Sibley-Ocheyedan Board of Directors and the Sibley-Ocheyedan Education Association.

ARTICLE TEN: SUPPLEMENTAL PAY

A. Employee participation in extra-curricular activities which extend beyond the regularly scheduled in-school day shall be compensated according to the rate of pay or other stipulations in Exhibit "B", which is attached hereto and made a part hereof. Preference in making such assignments shall be given to continuing employees regularly employed in the district. The district will allow full previous experience either within or without the district placement on Exhibit "B". Experience granted will not be restricted by the level or grade of an activity, but will not include movement from one activity on Exhibit "B" to another activity on Exhibit "B". Salary for Lane A shall be the percentage rate times the base salary. Lane B shall be 105% of Lane A. Lane C shall be 110% of Lane A and Lane D shall be 115% of Lane A.

B. Employees who may be requested to use their own automobiles in the performance of their duties and employees who are assigned to more than one school per day shall be reimbursed for all travel at the current IRS rate for all driving done between arrival at the first location at the beginning of their work day and arrival at the final location. Reimbursement shall be at the year end.

C. It is understood and agreed that in addition to teaching duties and supplemental pay duties, the employees shall perform some additional duties that shall not involve additional compensation.

D. An employee who works four (4) events will earn a family pass for activities. Compensation for additional events beyond the one or two activity tickets, as well as the family pass, will be paid at a rate of \$15.00 per event (ticket sellers and ticket takers/pass gae...a change to Exhibit B).

The listed activities for this paragraph are: ticket sellers and takers for regular season varsity football and basketball, homecoming coronation, high school musical, regular season high school wrestling, high school band show, school plays, swing choir show, regular season varsity volleyball, building supervision for regular season varsity football, student supervision for elementary music programs, regular season varsity basketball games, junior high Christmas concert, grades 4-6 band and choir concert, 5th and 6th grade physical education program, junior high band and choir concerts, band show and general supervision for the fine arts show, and clock and scoreboard personnel for varsity football. The passes will be valid only for the activities listed above.

E. Teachers who are on a non-student contract hour will be paid at the rate of \$15 each time they are assigned or requested by the administration to supervise students normally assigned to another teacher. This provision will not apply to teachers who are assigned as activity substitutes as a part of their regular duties.

F. Employees who have worked a minimum of fifteen years in the district shall receive upon their retirement a lifetime activity pass, good for their admission and the admission of a guest.

ARTICLE ELEVEN: INSURANCE

A. Each employee shall have the option of having the school district pay the full cost of a single policy premium or 60% of cost of family coverage of a health/major medical insurance plan selected by the board providing that the coverage levels identified in Exhibit "C" are not diminished.

B. Insurance benefits will be provided on a pro-rated basis for those employees who work between 20-30 hours.

C. If an employee has insurance coverage by a program through the spouse's employer and elects in writing prior to the school year not to participate in the group plan, that employee will receive as a salary supplement, \$1500.00. This election is limited to 20 persons within the bargaining unit. If more than 20 people elect to not participate in the group medical program, the 20 people shall be selected on the basis of seniority in the Sibley-Ocheyedan Community School system.

The district agrees to assist in self-insuring the 1500/3000 deductible plan. It is the intention that for the 2007-2008 year, persons with 1500/3000 deductible plan shall be reimbursed by the district for medical expenses charged to the deductible. The reimbursement shall be based on exhibit "C".

E. A term life insurance policy shall be provided by the Board for each employee. The amount of coverage shall be \$20,000.

ARTICLE TWELVE: PAYROLL DEDUCTION

A. Authorization

Any employee who is a member of the Association, or who has applied for membership, may sign and deliver to the Board an assignment authorizing deduction of professional dues and additional insurance payments or annuity payments. The form of the assignment shall be as set forth in Exhibit "E" and shall be filed with the Board secretary by September 10.

B. Regular Deduction

Pursuant to a deduction authorization, the Board shall deduct one-twelfth of total dues from the regular salary check of the employee each month for twelve months, beginning in September and ending in August of each year.

C. Duration

Such authorization shall continue in effect from year to year unless revoked in writing by a thirty day notice to the Board and to the Association.

D. Termination

Any employee who terminates employment prior to June shall provide verification to the Board from the Association that dues are paid in full or that satisfactory arrangements have been made therefore.

E. Transmission of Dues

The Board shall transmit to the Association the total monthly deduction for professional dues within ten (10) school days following each regular pay period, and a listing of the employees for whom deduction

was made will be furnished on October 1 and subsequent deductions therefrom will be furnished on the first of each month following the month of any reduction in size of the unit.

F. It is the responsibility of the Association to inform members of the dues deduction system and to provide the necessary authorization cards.

G. It is further agreed that the word "dues" as used above does not involve initiation fees, special assessments, back dues, or fines.

H. The Association agrees to indemnify and hold harmless the school district from any claims or causes of action that are based upon unfair representation or improper application or use of dues money by the Association.

In the event that any provision of this agreement shall become void or illegal during the term of this agreement, such provision shall become inoperative, but all other provisions of this agreement shall remain in full force and effect for the duration of this agreement.

This agreement shall be effective beginning July 1, 2007 and shall continue in effect until June 30, 2008.
